

## From the Principal's desk...

Dear Parents, Caregivers and Whanau,

At the moment I'm working on developing a model for our school in which we identify things that show we are mentally, spiritually, physically, socially and emotionally 'well'. Being 'well' can look different across cultures e.g. where one culture might consider a child who is loud or speaking a lot to be 'socially well', another culture might consider a child who is quiet and listens to others to be 'socially well'. We are blessed to be a multicultural school and so I'm keen to get voices across our school to share thoughts around this. In our office foyer there is space to record thoughts and ideas. Please take time to let us know what you think.

There is also a wall at the entrance asking for ideas about how we teach Maths at TCS. Please share your thoughts in the post-its there too or send an email suggesting things we should do or consider doing as we teach this subject across the school ([principal@timaruchristian.school.nz](mailto:principal@timaruchristian.school.nz)).

I hope you enjoy the long weekend ahead.

Ma te Atua e manaaki. (God bless).

Bethany Rentoul
