

**TERM TWO, WEEK FIVE 2016**

Dear Parents/Caregivers/Whanau,

The past few weeks we have been learning about Joseph and the way God put him in a particular place for a particular reason. It brings a wonderful reassurance that a) God has a plan, b) we are part of His plan, and c) we have a role to play in the place He has put us. At TCS we are blessed with the privilege of preparing our students to go out and be better equipped for doing the things God has prepared for them to do. We are also blessed to have many parents and school community members who have been placed here to assist us in this task. I just want to acknowledge and show an appreciation for the parents who are quietly working behind the scenes doing lots of things for us and our school community, from meeting to pray for the school, to producing a school phonebook, to creating jump jam costumes, to teaching German lessons, to running a penpal club and many, many more. For a small school we have so many opportunities available to our students, so 'thank you' to our many helpers.
