

TERM FOUR, WEEK FOUR 2016

Dear Parents/Caregivers/Whanau,

This morning we have students dressed in rainbow colours for muffi day. The purpose is to raise money for a love gift which our Year 9s will give to a Christian school they are visiting in Northland in two weeks' time. The Year 9s are travelling to Waitangi to learn about the history of the Treaty at the place it was signed. As part of their experience, besides kayaking up the river at Waitangi, they will be meeting with a school to learn something about what smaller Christian schools are like. I know some parents at TCS can remember when we were small enough to fit into one or two classrooms. It's amazing the journey God has taken us through over the past 20 years and I'm so excited about the direction in which He continues to lead us.

God bless,
Bethany Rentoul.

Congratulations

Well done to the following students who received certificates this week:

Fletcher Hill for helping with his ICT expertise and great reading.

Rinah Bird for excellent thinking in mathematics and persevering when it is difficult.

Olivia Weaver for awesome work on probability in Maths.

Levi Woods for being a helpful member of the class and awesome prayers for others.

Bailey Gunther for putting good effort into his reading

Isaiah Crooks for putting good effort into his story writing

Maisy Chapman and **Cayenne Manson** for super researching for space topic.

Israel Dee for making great progress in reading.

Gene de Beer and **Merric Manson** for working well and consistently in Maths.

IMPORTANT NOTICES

School Calendars

If you would like to order a calendar with your child's glitter art work, please return your form and money to the office by tomorrow.

Trophy returns

If your child received a cup or trophy at the 2015 prize-giving, please return it to the office asap.

Swimming Programme Update

Next week Years 1-8 will be taking part in the Swim for Life programme every day. Please ensure your child has togs, towels and goggles each morning. The Year 7 and 8s will attend TTEC on Mondays so will not swim on those days and we have been advised diving will no longer be an option for them but they will still do survival skills

Health Programme

We have had to change the dates of our Changing Bodies, Changing Lives programme. It will now be taught in Weeks 5 and 6.

If you wish to view the programme to see what will be taught, please contact the office.
